## September Newsletter

Hi all,

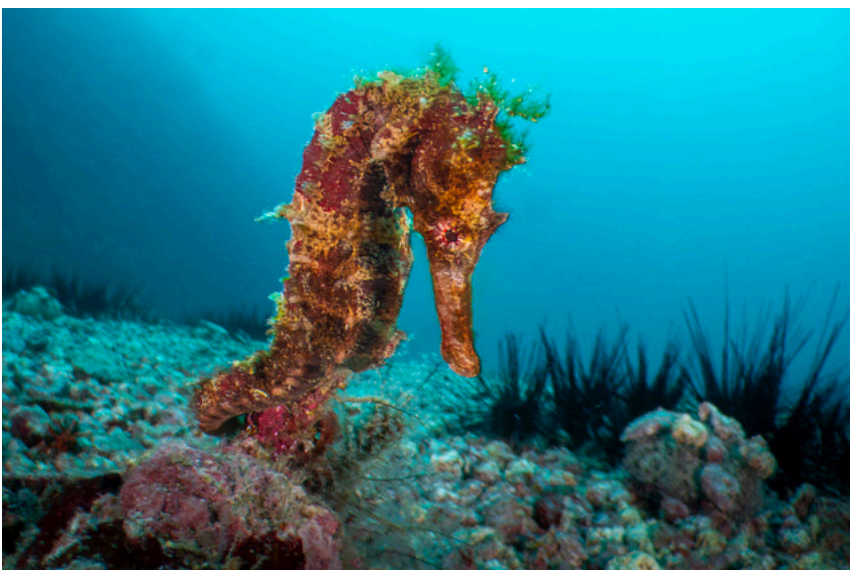

Here are the winners from September's meeting. I wasn't there so unfortunately can't elaborate on any of the images other than mine!

### Theme: Close focus wide angle

In first place with 5 votes was Cathy Lewis with an image of a yawning giant grouper. The shot was taken under the pier at Misool just as the sun was setting, hence the high ISO.

Tokina 10-17mm, 100/s, f10, ISO 1,000

Tying for second place with one vote apiece were:

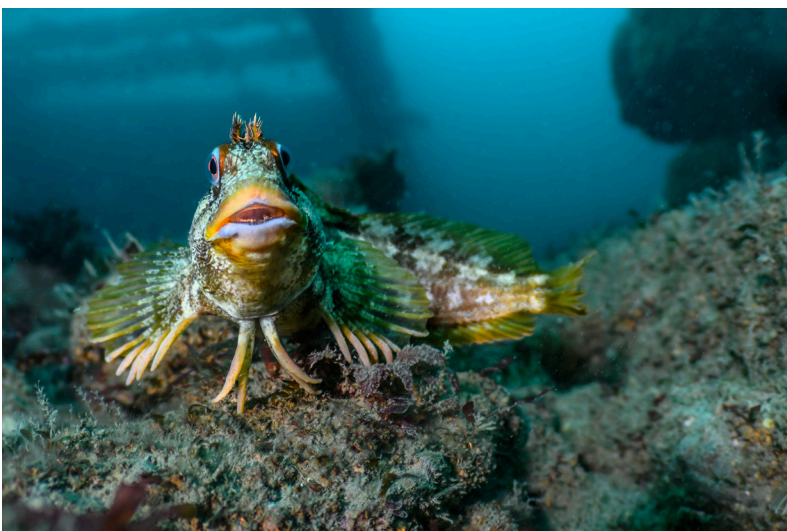

Mark Drayton, seahorse

Dan Bolt, seal

Kirsty Andrews, lobster

Rick Ayrton, tompot on the  
James Egan Layne
